

Addendum to 24 June 2020 – Note: Covid Co-operation Framework

Using the Covid Co-operation Framework with either of PW-CF6 (Short Public Works Contract) or PW-CF7 (Investigation Contract)

Forms of Letter Agreements are provided for the short public works contract (PW-CF6) and the investigation contract (PW-CF7).

Users should note that the form of Letter Agreement makes reference to Sections A3 and A4 of the Framework Note of 24 June 2020, in which references are made to particular clauses in PW-CF1 to PW-CF5 (inclusive). When using the Letter Agreement for PW-CF6 or PW-CF7, any such references to clauses in PW-CF1 to PW-CF5 (inclusive) in Section A3 or A4 of the Framework Note should be taken as referring to comparable clauses in PW-CF6 or PW-CF7, where there is a comparable clause. Where there is not a comparable clause, parties should follow the principles outlined in the relevant section of the Covid Co-operation Framework Note, as may be relevant to the process.
